List of Acronyms

AIP	Allowed Intended Purposes	15
CIP	Conditional Intended Purpose.....	15
CPBAC	Conditional Purpose Based Access Control Model	II
DSD	Dynamic Separation of Duty	27
IP	Intended Purpose	15
MD-TRBAC	Access Control Model Based on Multi-Role and Task.....	II
P3P	Platform for Privacy Preference Project	11
PBAC	Purpose Based Access Control Model.....	22
PBFW	Flexible Policy Based Access Control Model for Workflow Management Systems.....	II
PIP	Prohibited Intended Purpose	15
RBAC	Role Based Access Control Model.....	6
RH	Role hierarchy	22
SoD	Separation of Duty	21
SSD	Static Separation of Duty.....	27
TBAC	Task Based Access Control Model	6
W3C	World Wide Web Consortium	11
WFMC	Workflow Management Coalition	21
