

## **List of Tables** *(Cont...)*

---

Table No.	Title	Page No.
<b><u>Results</u></b>		
<b>Table (14):</b>	Correlation Study between resistin and the Other Studied Parameters in Pre-eclamptic Patients Using Spearman's Rank Correlation Coefficient Test (rs).....	140
<b>Table (15):</b>	Correlation Study between HOMA-IR & Resistin, age, GA, SBP, DBP and BMI, in Pre-eclamptic Patients Using Pearson correlation Test (r): .....	141
<b>Table (16):</b>	Correlation Study between HOMA-IR & the Other Studied Parameters in Pre-eclamptic Patients Using Pearson correlation Test (r): .....	141
