**I live in a beautiful city.
I love everything in it.**

I live in a clean and tidy house.

I live with mum, dad, and my brother Samer.

My sister Nora has long pretty hair.

Nora wears clean clothes.

We love fruits.

**Fruits have beautiful colors and
wonderful taste.**

**My sister Nora
always goes to bed
early.**

**At night, there is
no loud or
disturbing noises.**

My school is vast and clean.

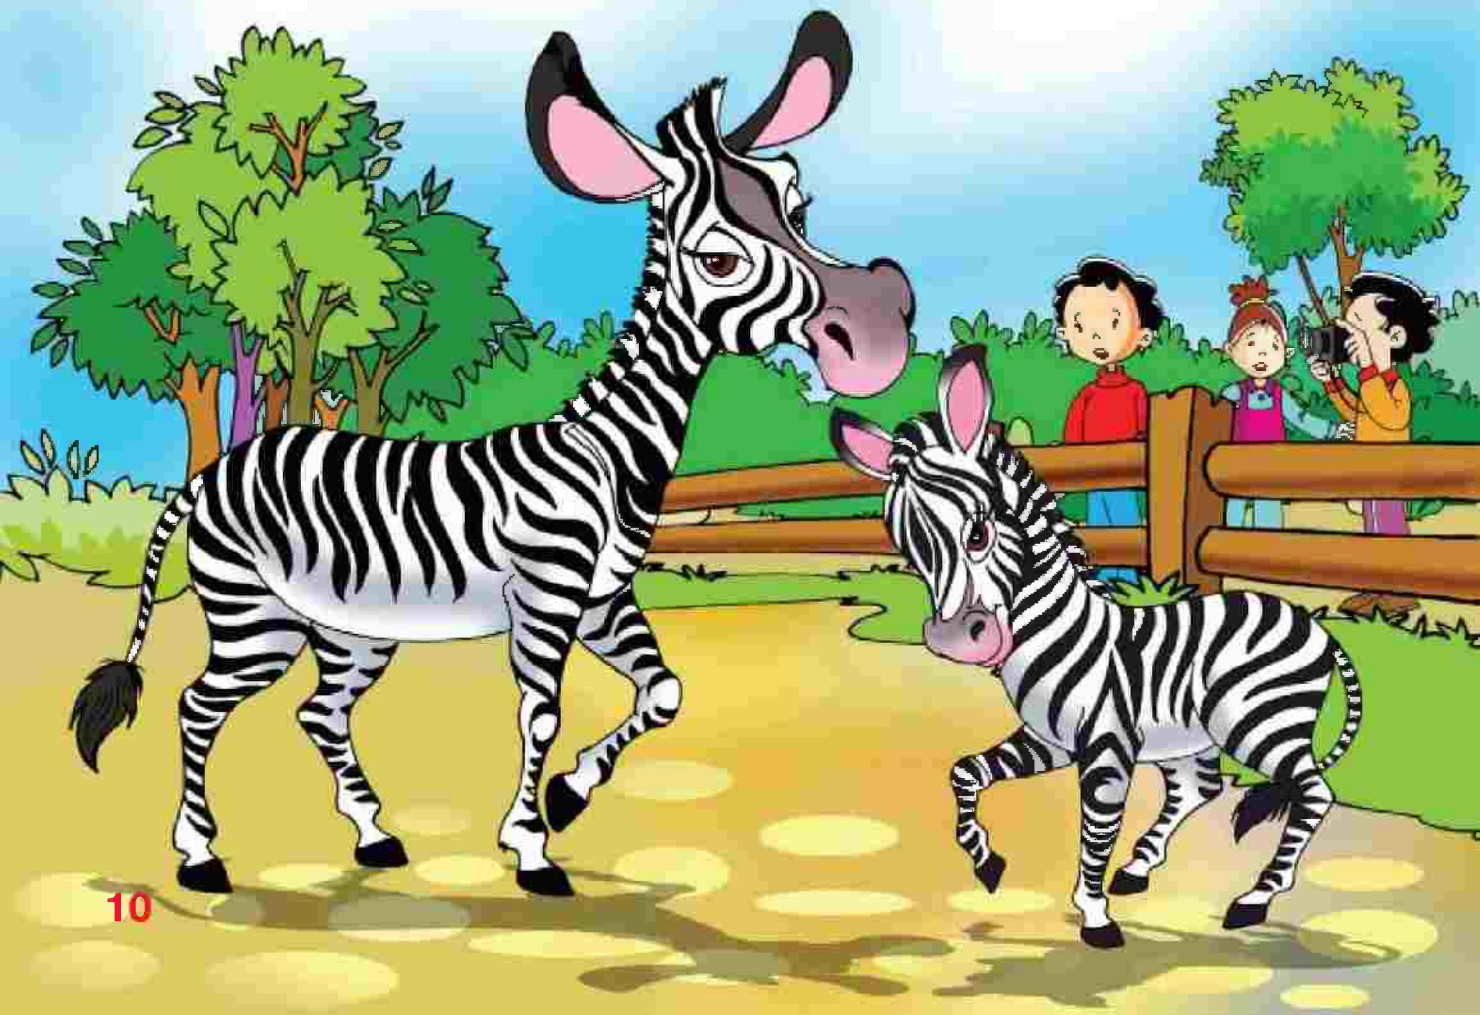

At school, I learn and play.

My teacher teaches me letters and numbers.

**I play with my friends in the school playground.
We play football and have fun during the break.
I really love all my friends.**

Once we went on a school trip to the zoo.
At the zoo, there is a striped zebra.

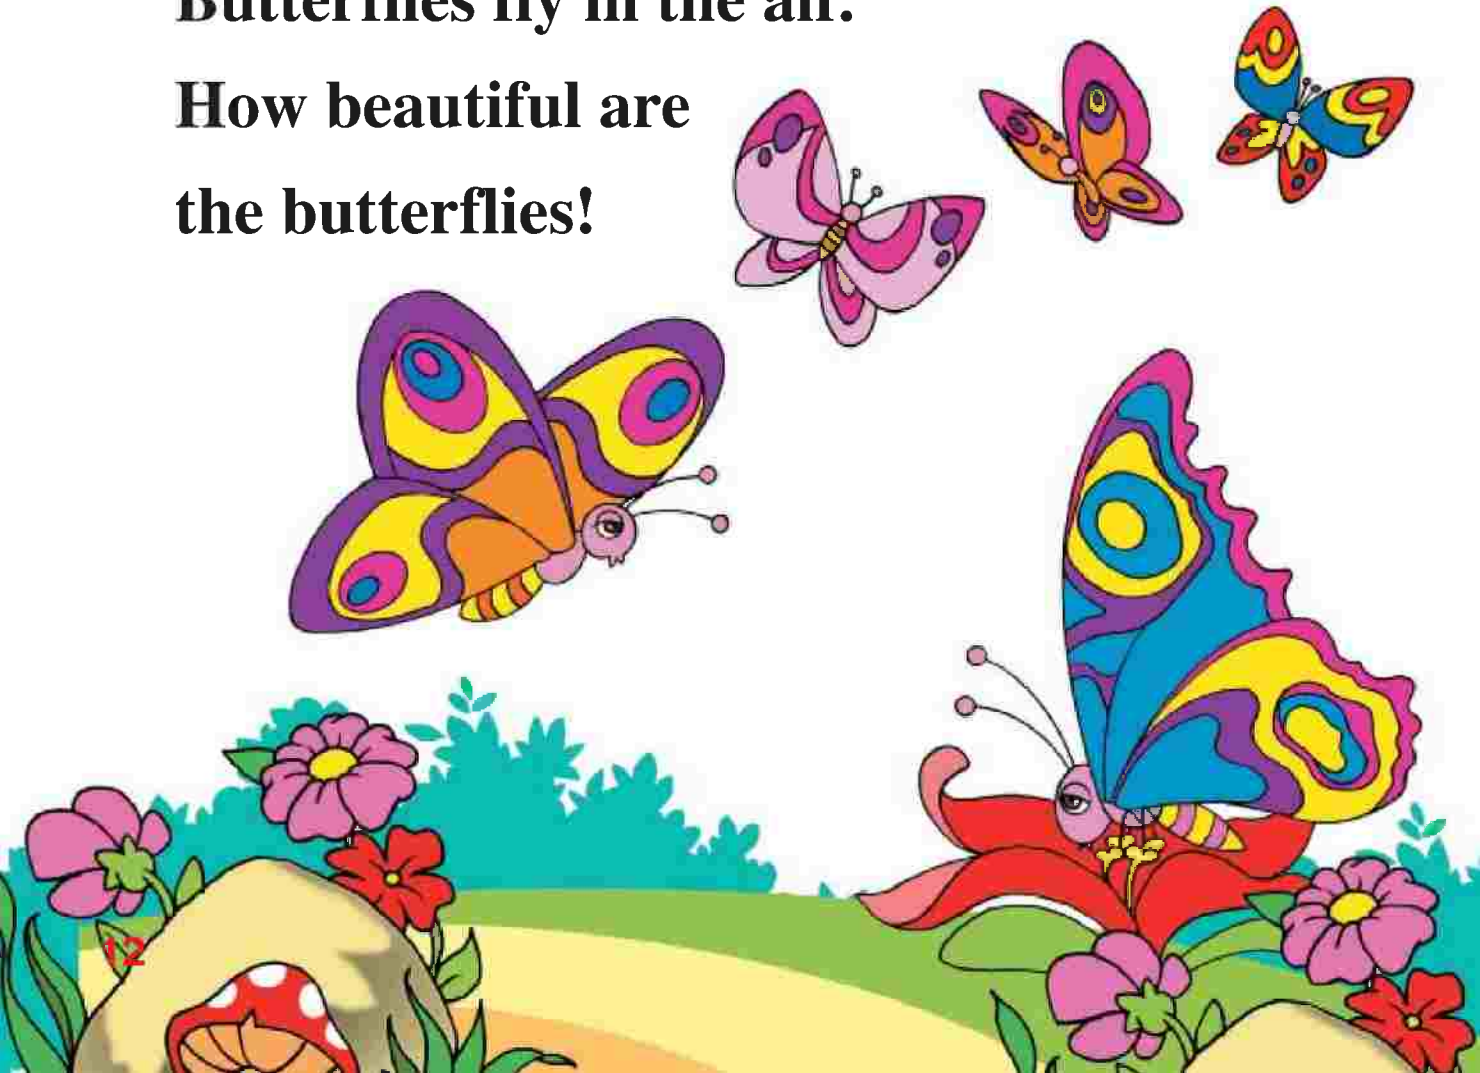

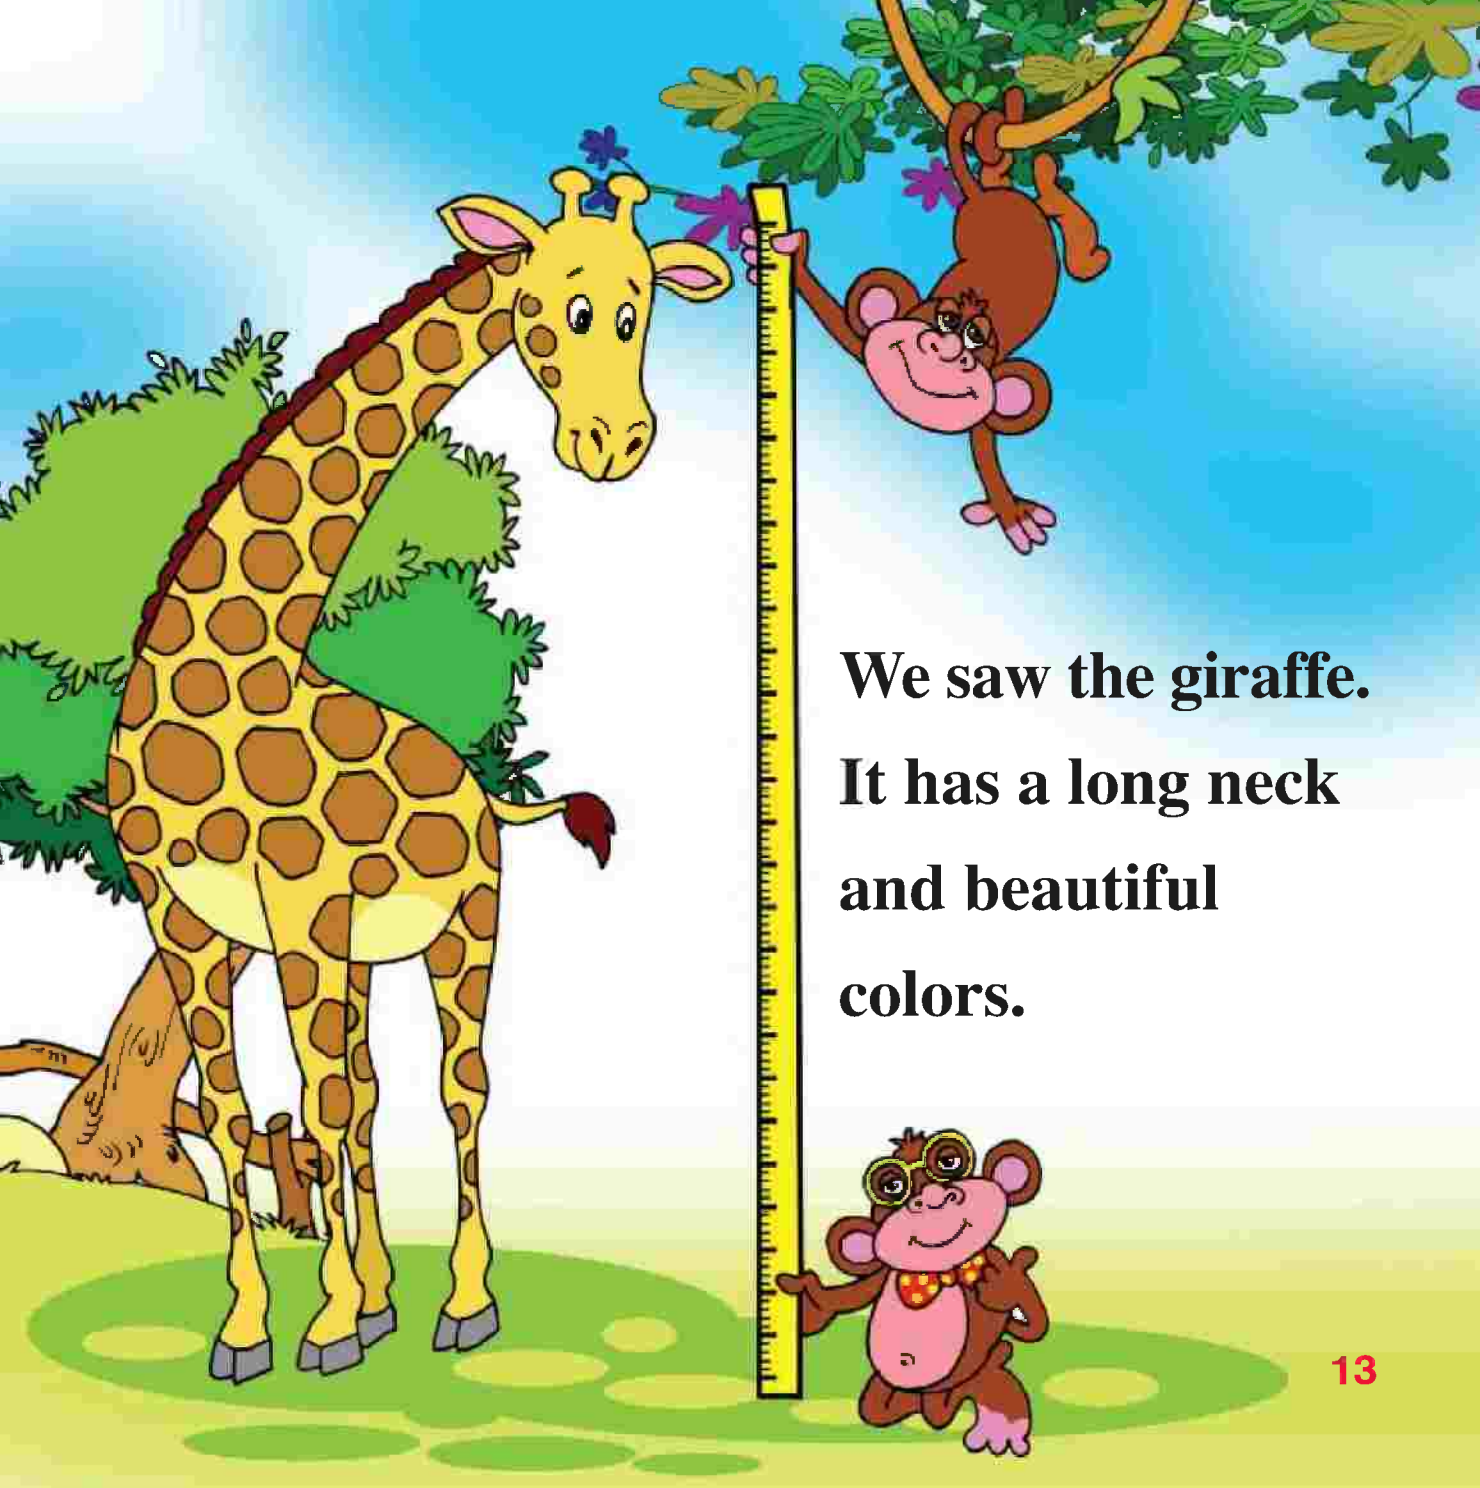

**There is the peacock which is a beautiful bird.
Its feathers have various wonderful colors.**

**There are many beautiful creatures
living at the zoo.**

Butterflies fly in the air.

**How beautiful are
the butterflies!**

**We saw the giraffe.
It has a long neck
and beautiful
colors.**

**Also, we saw the ostrich
at the zoo.**

**The ostrich is a large
wonderful bird.**

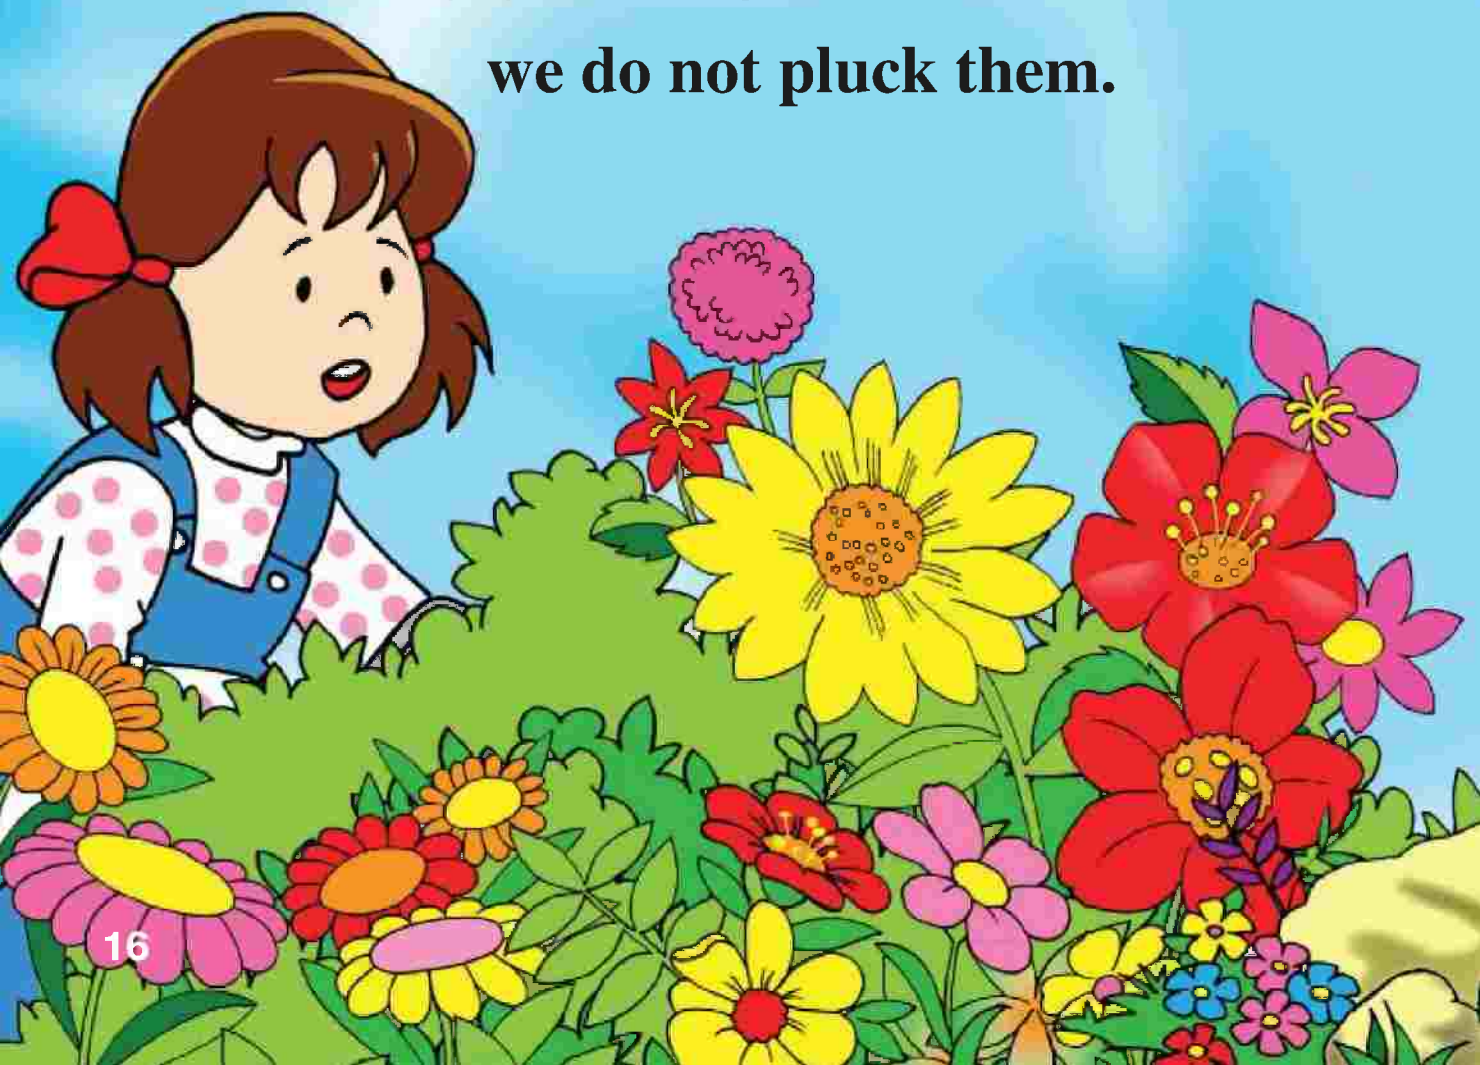

It runs very fast.

The birds have beautiful colors.
There are many kinds of birds.
Sounds of the sparrows are very amazing.

**At the zoo, There are beautiful flowers.
There are red, yellow and green flowers.
We enjoy looking at the flowers, but
we do not pluck them.**

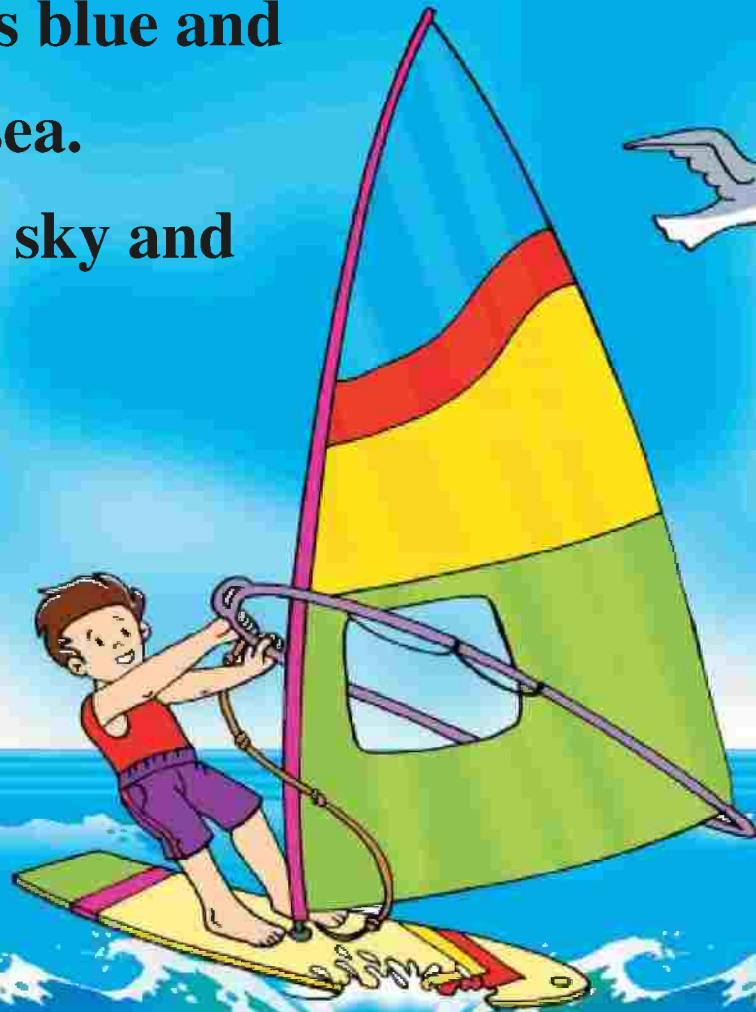

**During the summertime, we go to the seaside.
We play with our friends.
We love making sandcastles at the seaside.**

**The sky is blue and
so is the sea.**

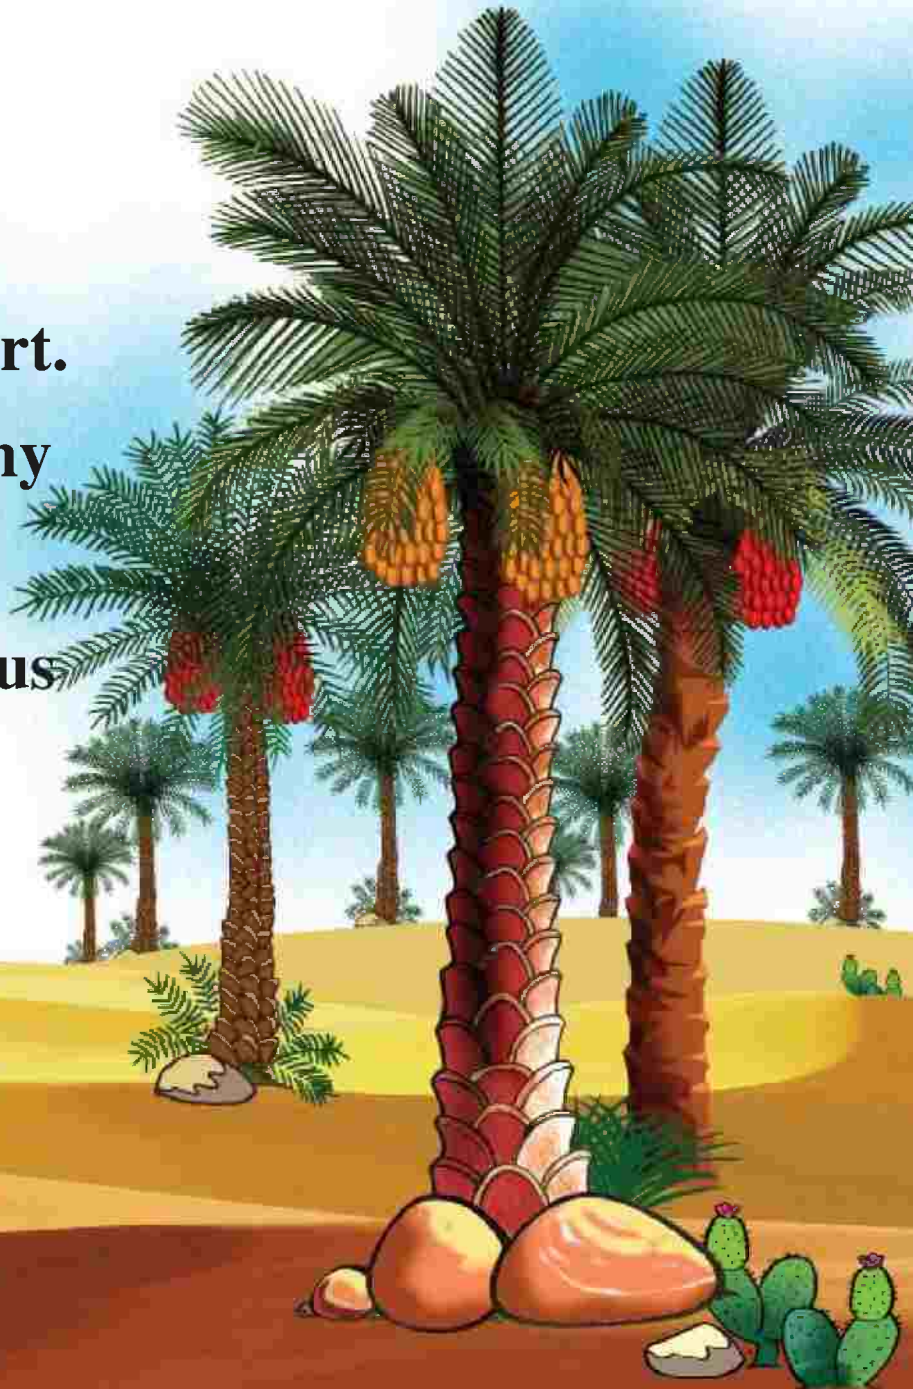

**I love the sky and
the sea.**

Fish lives in the sea.
There are many kinds of fish and they have
beautiful colors.
In the sea, there are magnificent creatures.

**We went to a
beautiful oasis.
It is in the desert.
It contains many
palm trees.
We had delicious
dates there.**

**Every year, we visit our father's family
in the countryside.**

**The countryside is green because of
the plants and the trees.**

How beautiful is the sky at night!

The sky is full of stars.

The moon shines brightly.

**At night, we went to the amusement park.
We saw the wonderful fireworks with their
different sparkling colors.
The lights kept twinkling.**

**The city has all things, shapes, people
and plants.**

It is like a rainbow that displays all colors.
