

الباب السادس

في معرفة بعض أنساب العرب
وبعض الترك والروم والسودان

اعلم أني أحببت أن ابدأ النسب من آدم عليه السلام إذ هو أول الخلق فأقول

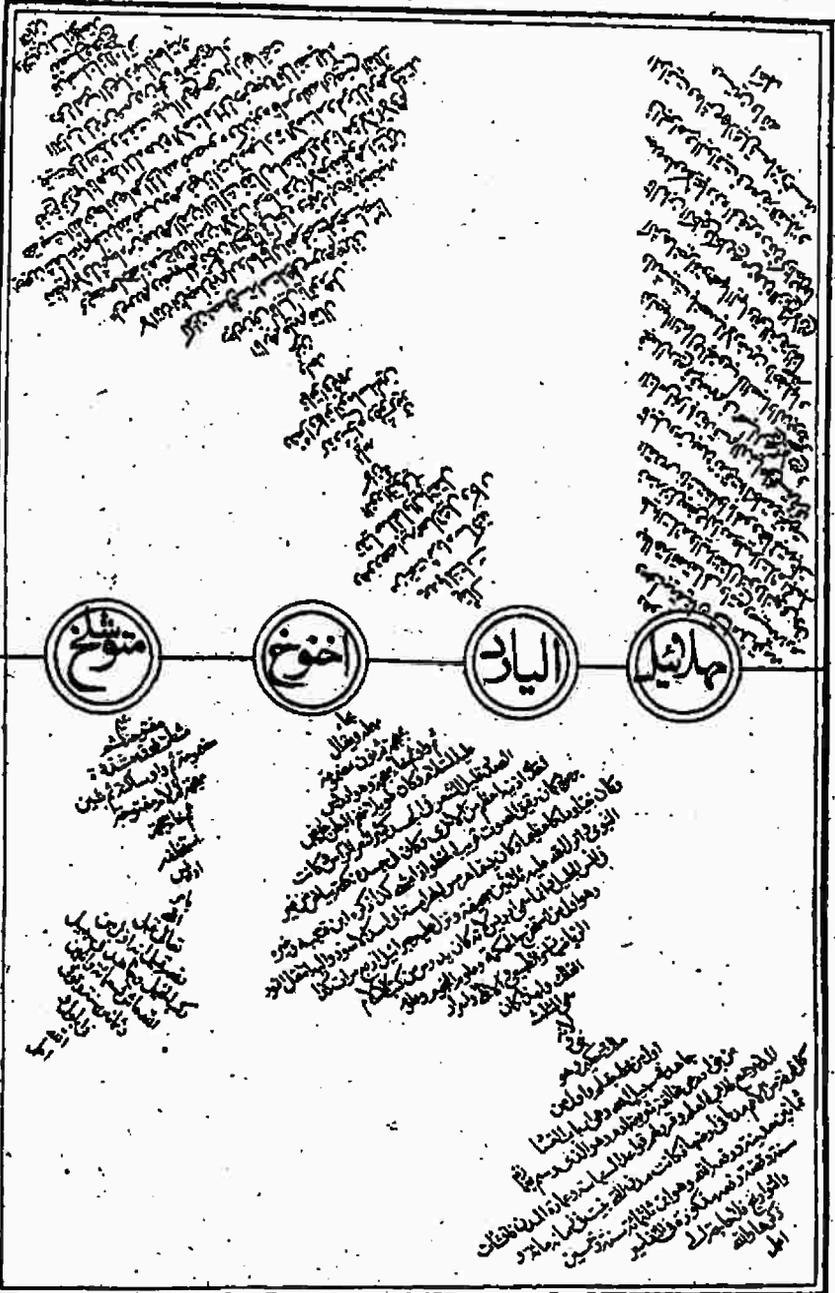

وبالله التوفيق:

Handwritten text in Arabic script, arranged in several columns and clusters, likely representing a list or a collection of names or items.

ام شيت قينان افوش

Handwritten text in Arabic script, arranged in a large, roughly triangular shape, possibly representing a list or a collection of names or items.
