Twinkle, twinkle

Twinkle, twinkle, little star
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star,
How I wonder what you are!
When the blazing sun is gone,
When he nothing shines upon.
Then you show your little light,
Twinkle, twinkle, all the night
Twinkle, twinkle, little star,
How I wonder what you are!
Then the traveler in the dark,
Thanks you for your tiny spark
He could not see which way to go
If you did not, twinkle so.,
Twinkle, twinkle, little star,
How I wonder what you are!
