Welcome every body!
Do you know who I am?
My name is Ayman.
My friends call me clean
Ayman.

**First, I would like to introduce to you
my sister Hala and my brother Hany.**

These are my friends. I like them and they like me. You are wondering.. why do they call me clean Ayman?

**I love cleanliness and
I can tell you lots of
fine stories and
situations about it.**

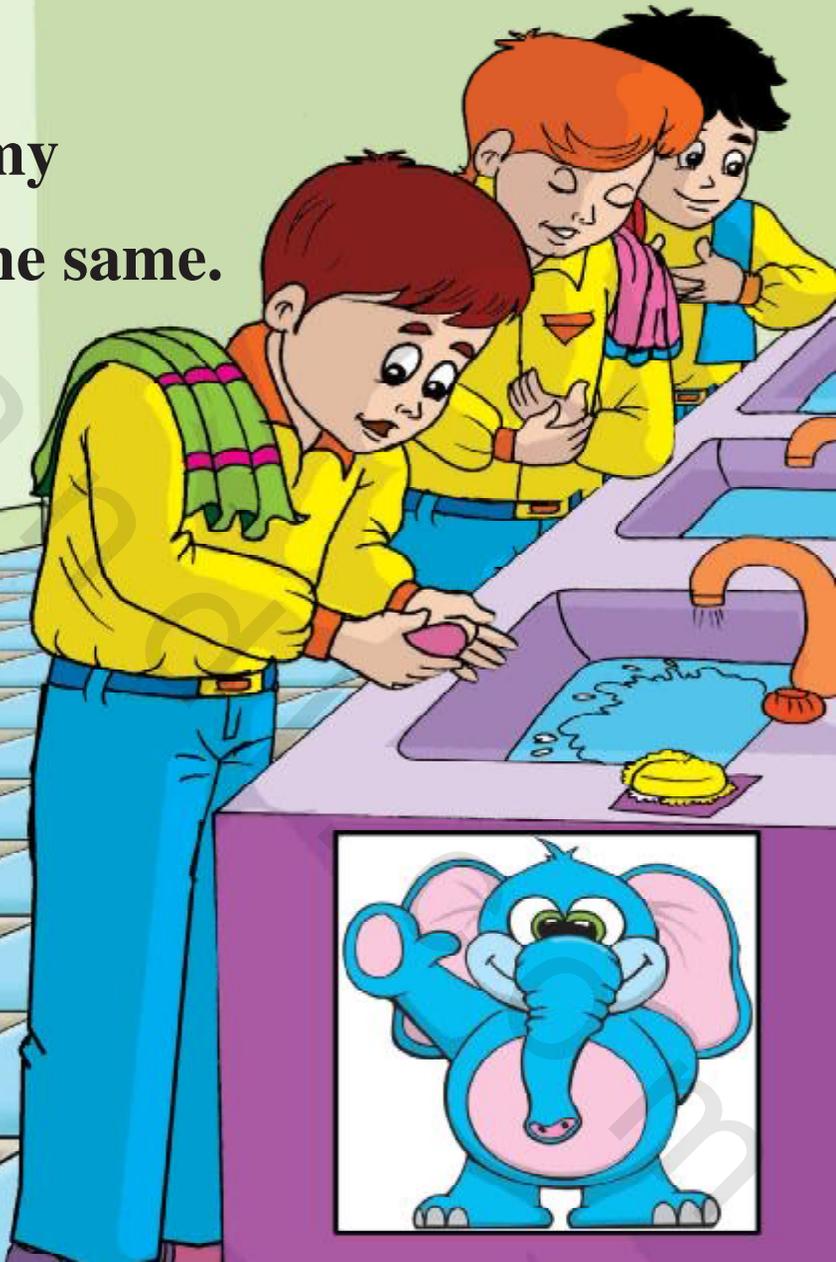

**First of all, I really
love taking a shower
every day.**

**Taking a shower
keeps me clean
and makes me fresh
and energetic.**

At school I wash my hands before and after eating.

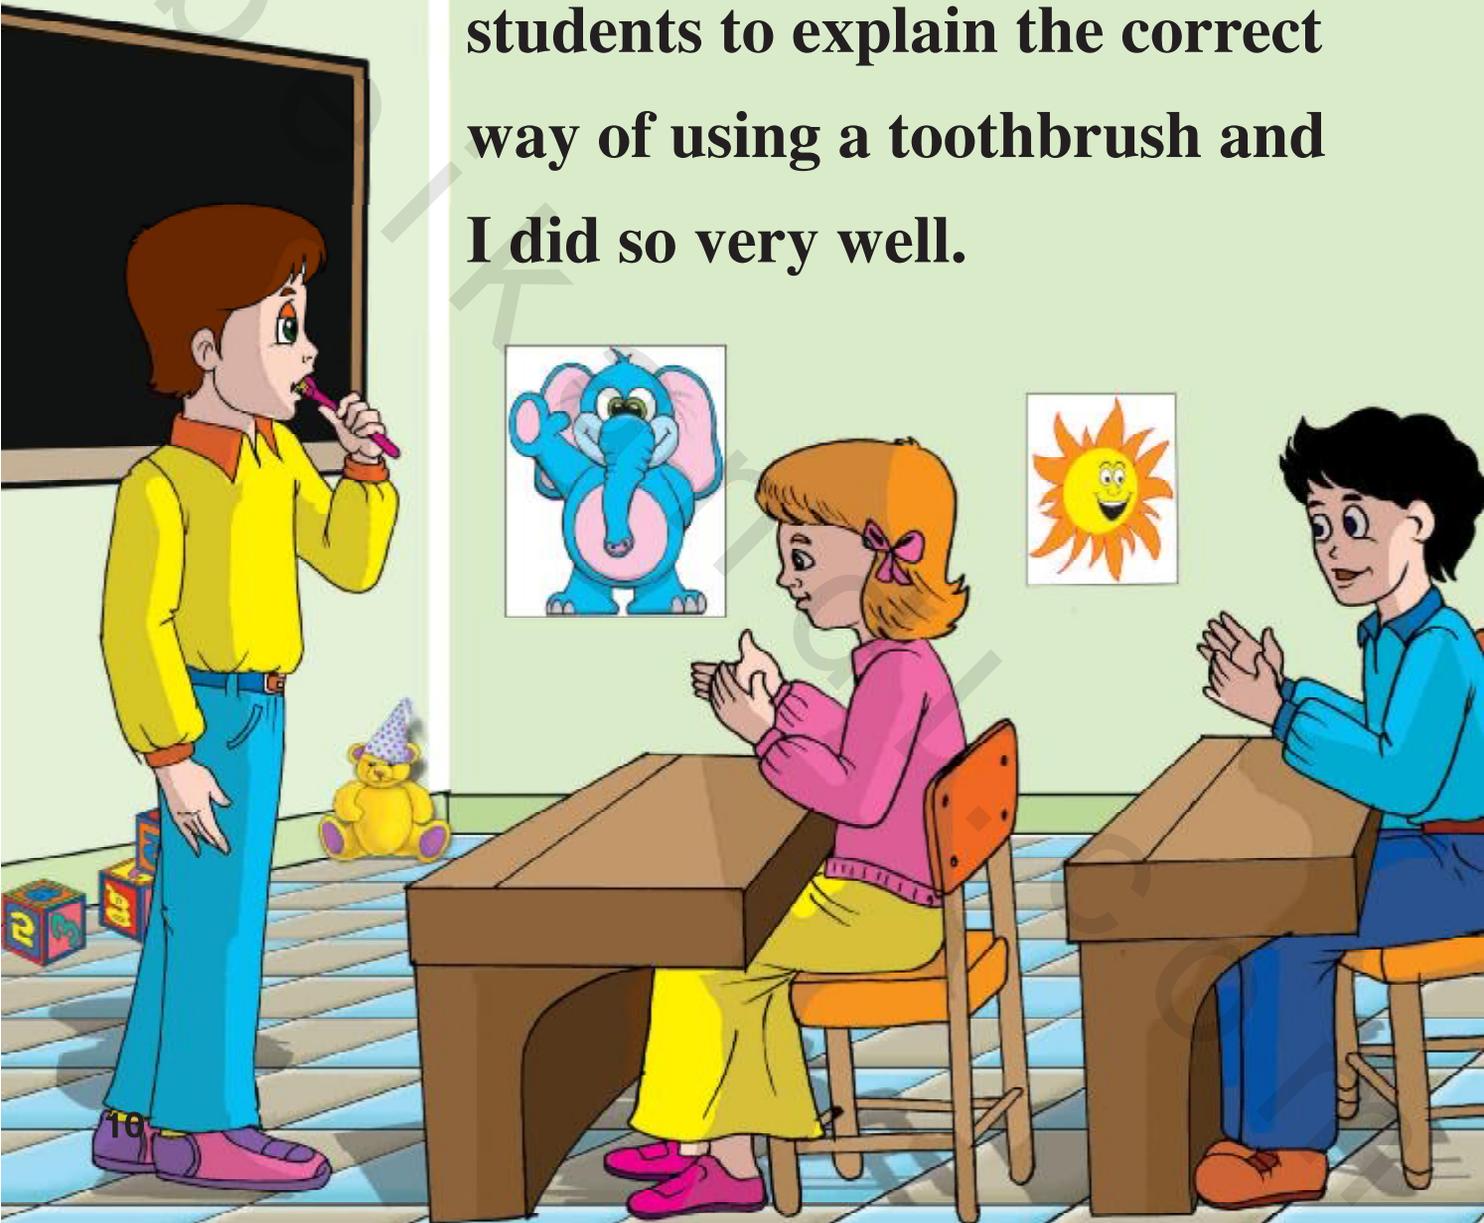

My teacher asks my colleagues to do the same.

**When I finish playing, I go
quickly to wash my face and
hands.**

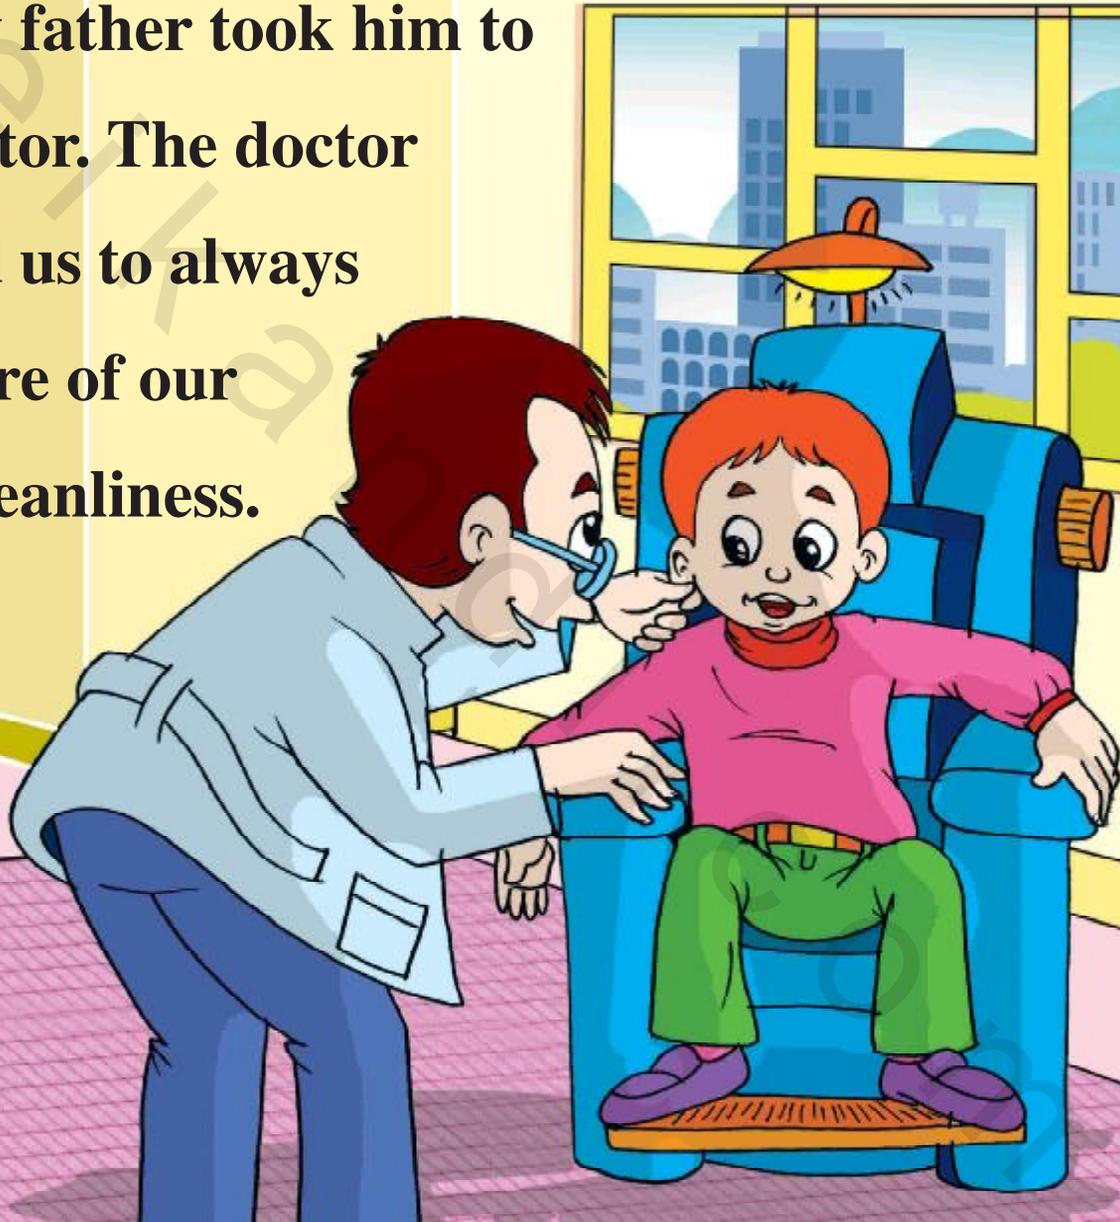

One day, my teacher asked the students to explain the correct way of using a toothbrush and I did so very well.

**I always use the
handkerchief and I wash
my nose several
times a day.
I never sneeze
in anyone's face!**

Once, my brother Hany had an earache and my father took him to the doctor. The doctor advised us to always take care of our ears' cleanliness.

When I get back home I wash my feet with soap and water and I dry them very well.
Every day I wear a clean pair of socks.

My hair is always clean and shiny because I wash it every day and comb it well. Actually, I take very good care of my hair.

**My house is big and
pretty and it is visited
by the sun every day.**

**Every day I tidy my room and I open
the windows to let in fresh air.**

**Look at my sister Hala !
She is putting the garbage
in the litterbin.
We help our mother to do
her housework.**

My mother always covers the food well. She also washes the fruit and vegetables thoroughly and stores them in the refrigerator.

This is my neighbor Nabil. He is sick.
He bought food from wandering
food vendors.

**Our house is in a clean beautiful place.
It is surrounded by green trees.
We all cooperate to keep our streets
and gardens clean.**

I spend my holidays at the club where I have a very good time. I keep my club clean and never throw anything on the floor.

**We put our garbage in the street litterbins.
Garbage trucks pass by every day to collect
the litter from the litterbins.**

We thank the garbage collectors, respect them and deal with them politely.

Cleanliness really makes people
love you.

Now my friends, do you know
why they like to call me clean
Ayman?
