Nemnema took out a bottle of water from the fridge to drink.

she climbed over a chair to bring a glass
from the shelf.

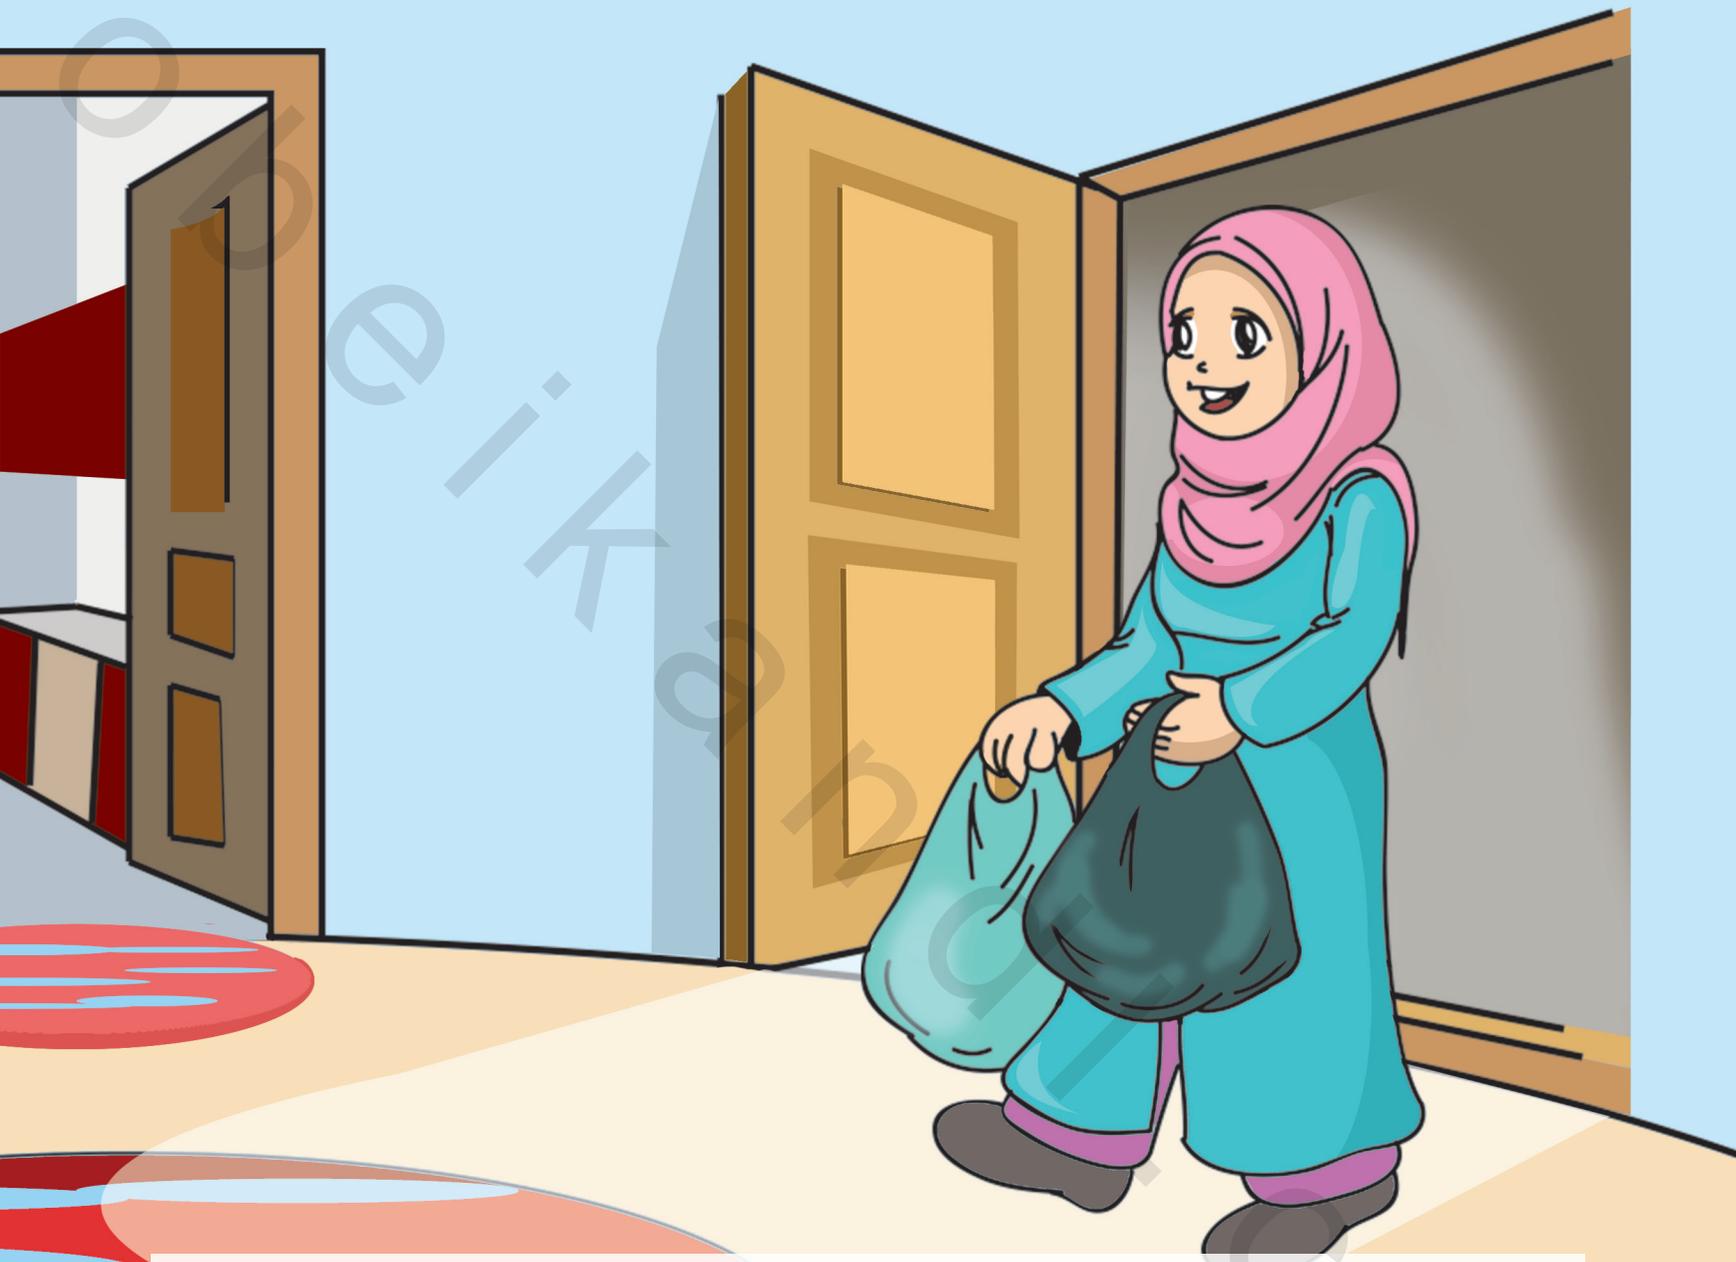

The glass fell off her hand and was broken. Nemnema was afraid that her mother would see the broken glass and be angry from her.

Nemnema collected the large pieces of glass and threw them in the basket before seen by her mother.

Nemnema went back to reading her favorite magazine and she forgot what happened altogether.

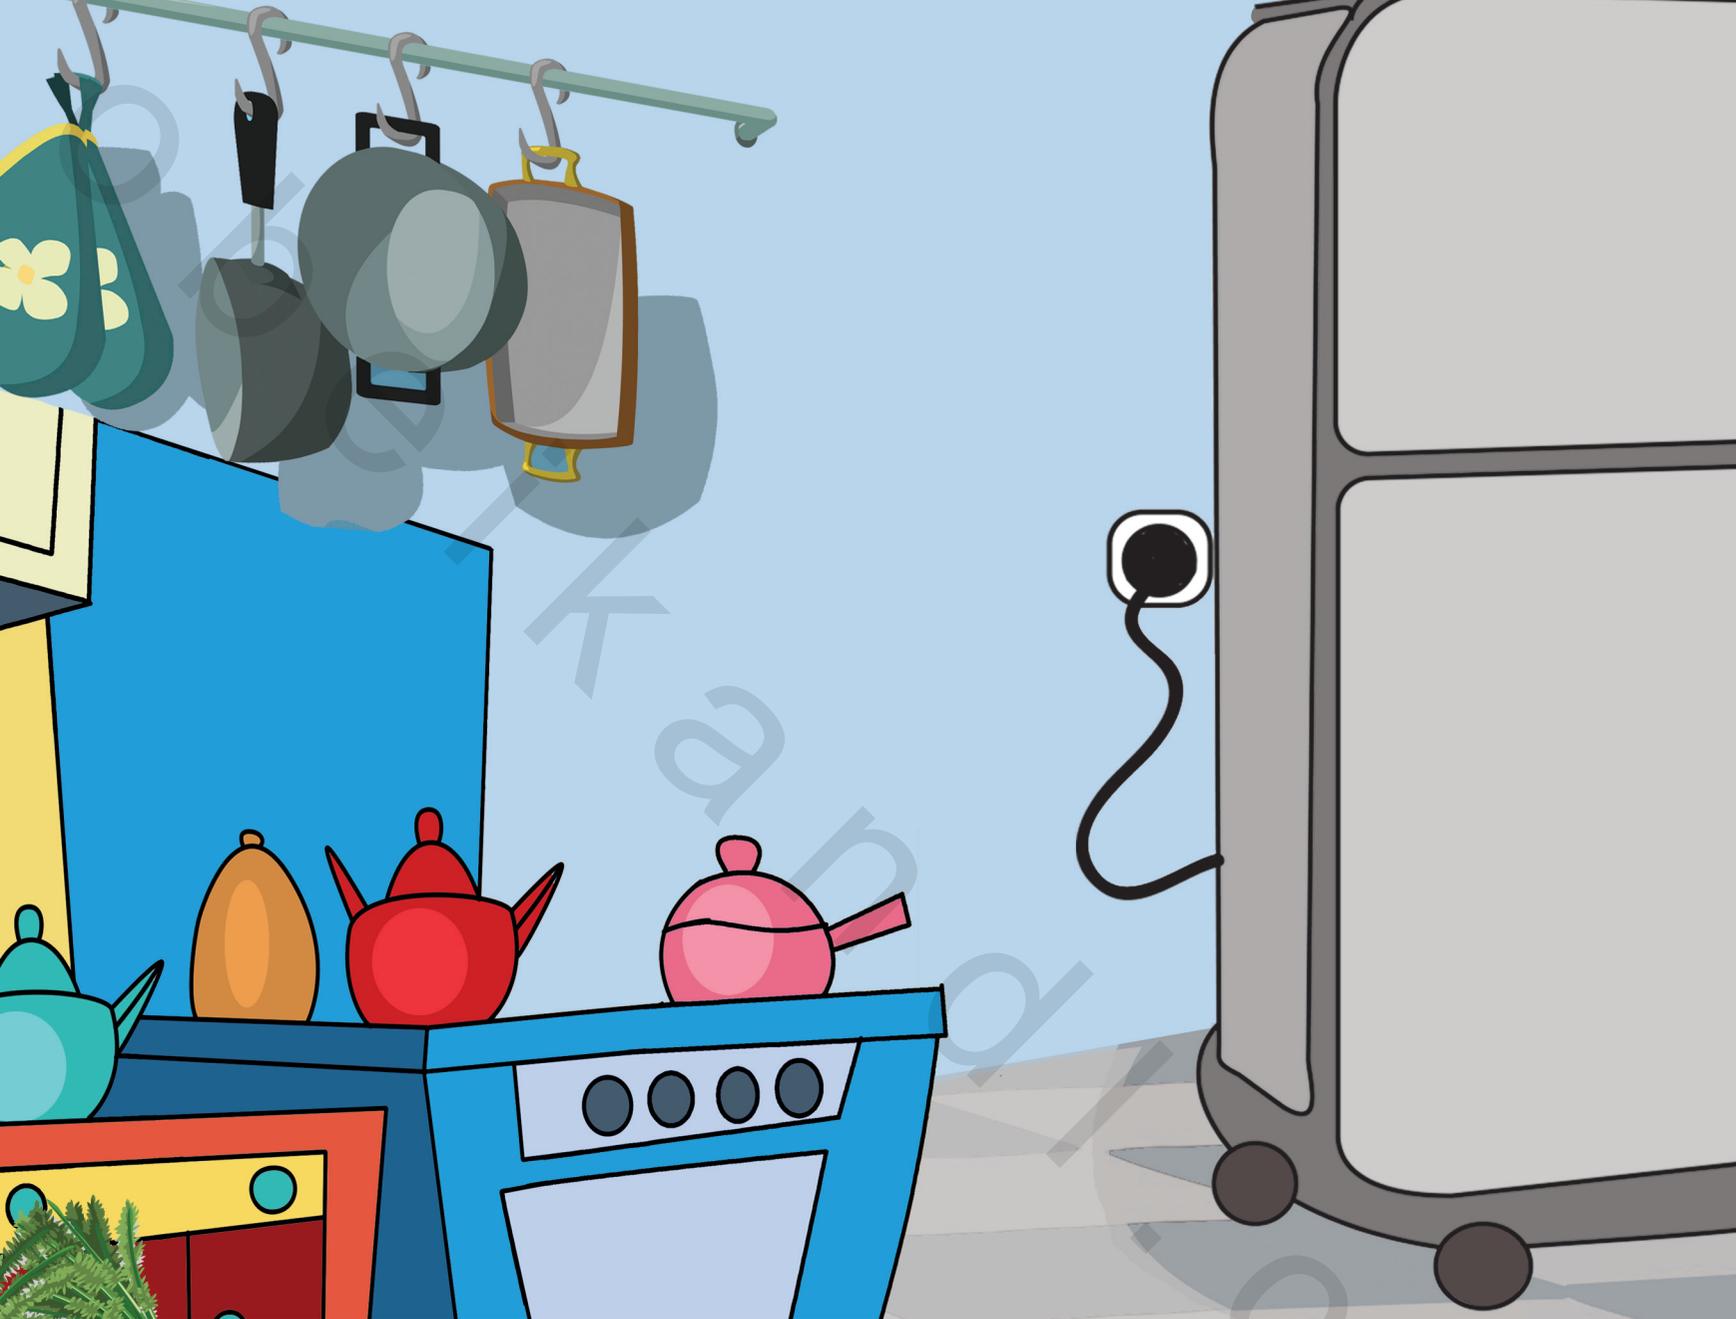

some time later, her mother came back from the market. As usual Nemnema went quickly to help her mother in carrying what she bought.

Nemnema took the things to the kitchen happily.

Suddenly, she screamed from pain.

her mother hurried to the kitchen to know what happened to Nemenma.

she found that a piece of the broken glass had hurt Nemnema's foot. Nemnema was crying and she told her mother what had happened.

“dear,nemnema” Mother said to her
“never hide any thing and never be afraid of
any thing . telling the truth always save you”.
