Nemnema lives in a neat beautiful district.  
Each Building in the district is surrounded by  
a private garden.

Every garden is small but neat .it is full of nice flowers and plants.

The guard of each building looks after the garden and keeps it clean.

one day, one of the guards went to visit his sick daughter.

Nemnema knew about the guard's sick daughter.  
She wished her a quick recovery.

Nemnema remembered the kind guard and how keen he was on looking after the flowers. “Who will take care of the flowers now” Nemnema thought.

while walking in the garden, Nemnema saw the water hose. she picked it up to water the flowers and the plants.

Nemnema decided to look after the garden until the return of the guard, so that the beautiful flowers would not fade.

When the guard came back, he was surprised that the garden was still beautiful and that the flowers didn't fade. How did that happen?!

Nemnema decided not to tell him what she had done. She kept the matter secret.

She wanted to get Allah's reward for what she had done. She was satisfied to see the beautiful flowers blooming.
